

Maria Antrea

Title: Legal Tech Specialist

Office: Helsinki

Mobile: +358 50 574 7373

E-mail: maria.antrea@hannessnellman.com

Languages: English, Finnish

Maria works as a Specialist in our Legal Tech team. Her focus areas are Technology-Assisted Review and Document Automation, but she also has extensive general knowledge in the field of Legal Tech especially in a multi-lingual environment. She has a vocational qualification in Information Technology (Information Technology and Marketing) from the Finnish Business College. She has also completed basic studies in Work and Organisation Psychology, Administrative Sciences, Information Research, and Artificial Intelligence at open universities. Maria joined Hannes Snellman in 2008 and previously worked as a legal assistant, information specialist, and librarian.
